Dear Rob,

Re: IPL (West Coast) Ltd's Application for Change in Scope of Certification

Your recent application to change the scope of IPL's Formwork Plywood Certification has been reviewed and approved by the EWPA. IPL is now certified to produce F14/F14 Formwork Plywood. The accompanying certificate contains the details of the standards to which this certification applies.

The approval is based upon the current certification of F14/F11 Formwork Plywood, independent testing of product compliance to Australian/New Zealand Standards by the EWPA and auditing of in-mill quality control procedures.

Branding of the EWPA Certification Marks and JAS-ANZ accreditation brands shall be in accordance with the EWPA Quality Control Policy and Specific Rules for Product Certification. Copies of the approved Certification marks for the products are detailed below.
