Fascinated by solutions.
We call it
Fascin[action]

"Really good design - for me, that's a way of life. This goes for my Harley as well as my furniture! They both need to be perfect in every detail."

**ALWAYS NEW.
ALWAYS DIFFERENT.**

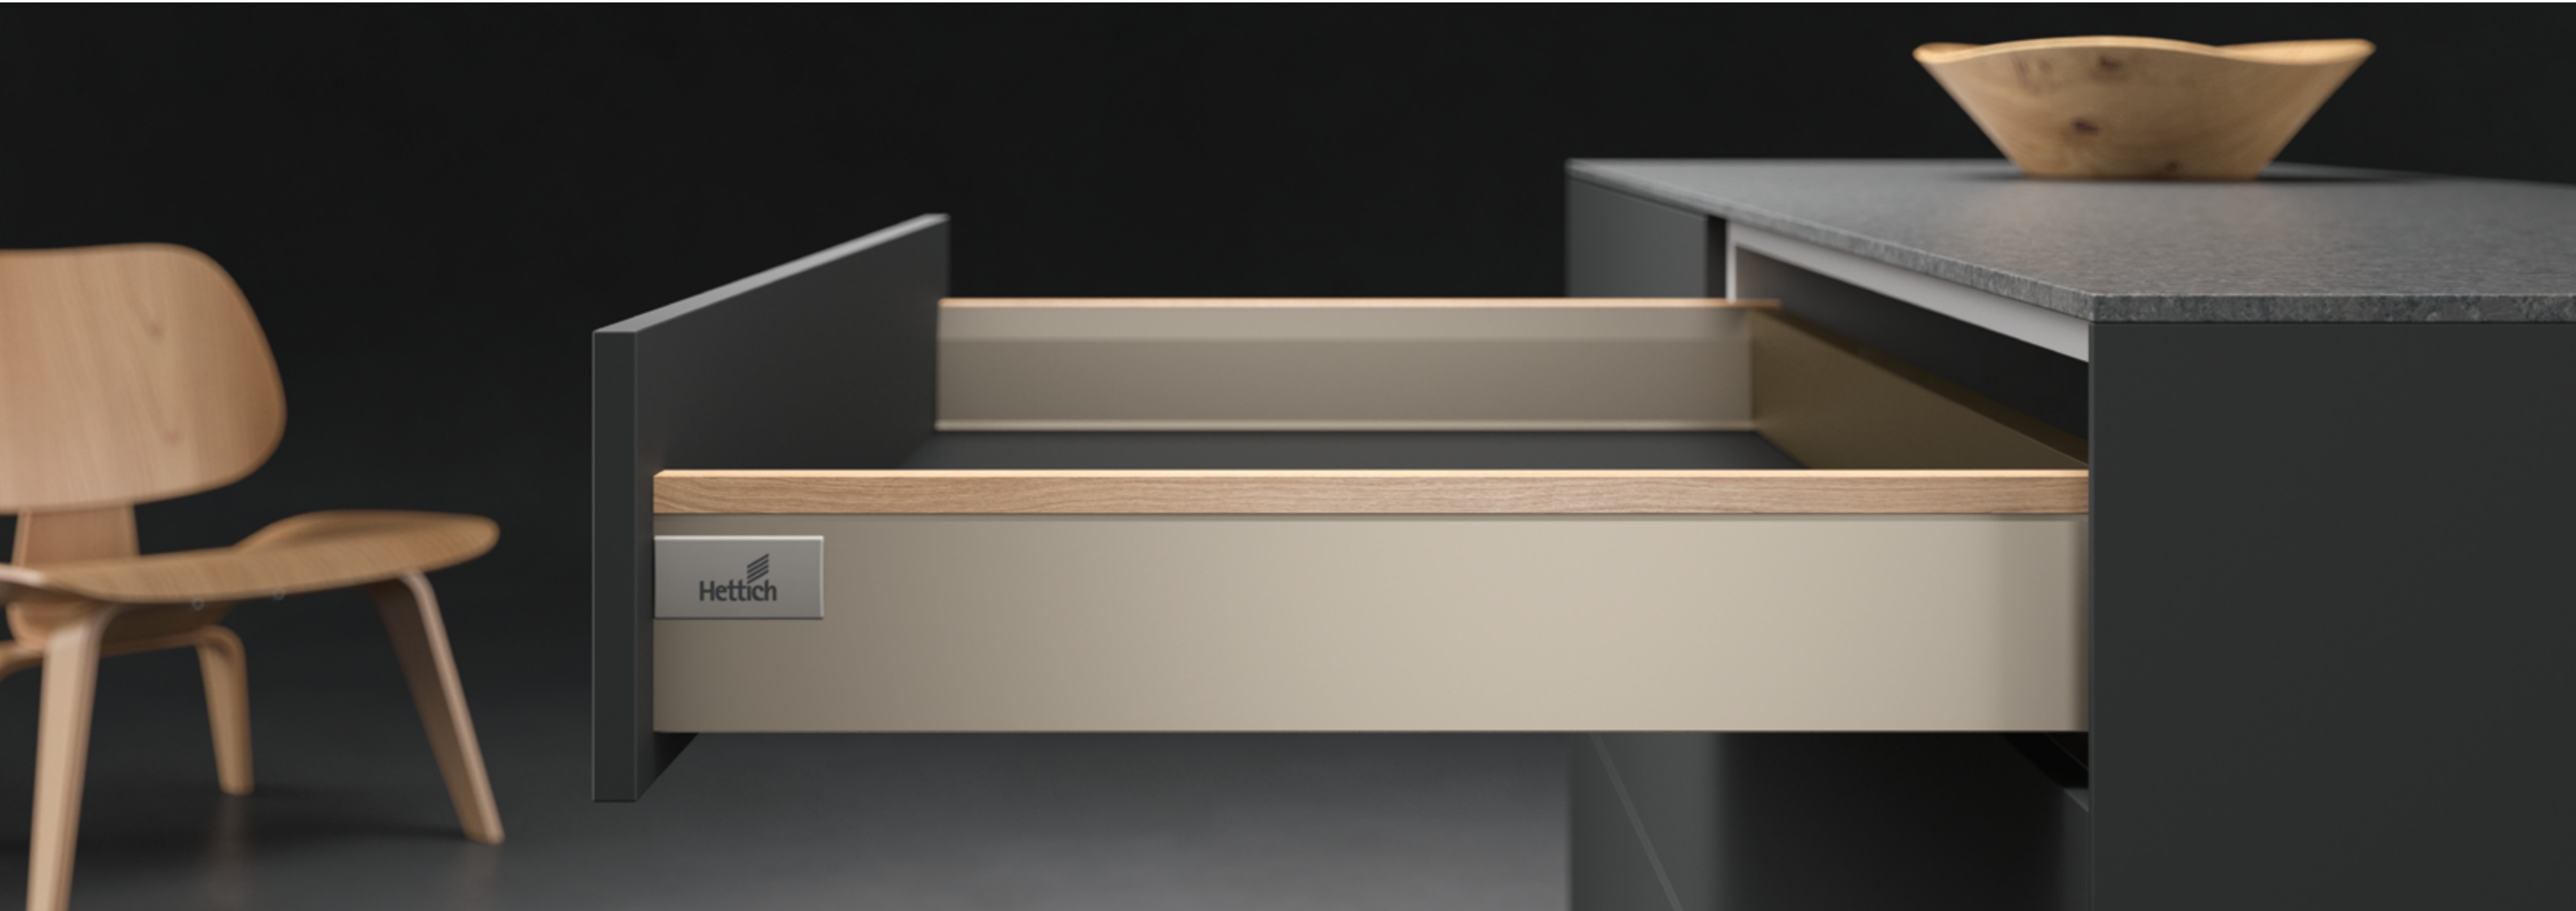

Always with stunning effect. Always cost effective.
ArciTech will give your drawers an incredibly distinctive look.

ARCITECH IS VERSATILITY YOU WILL LOVE.

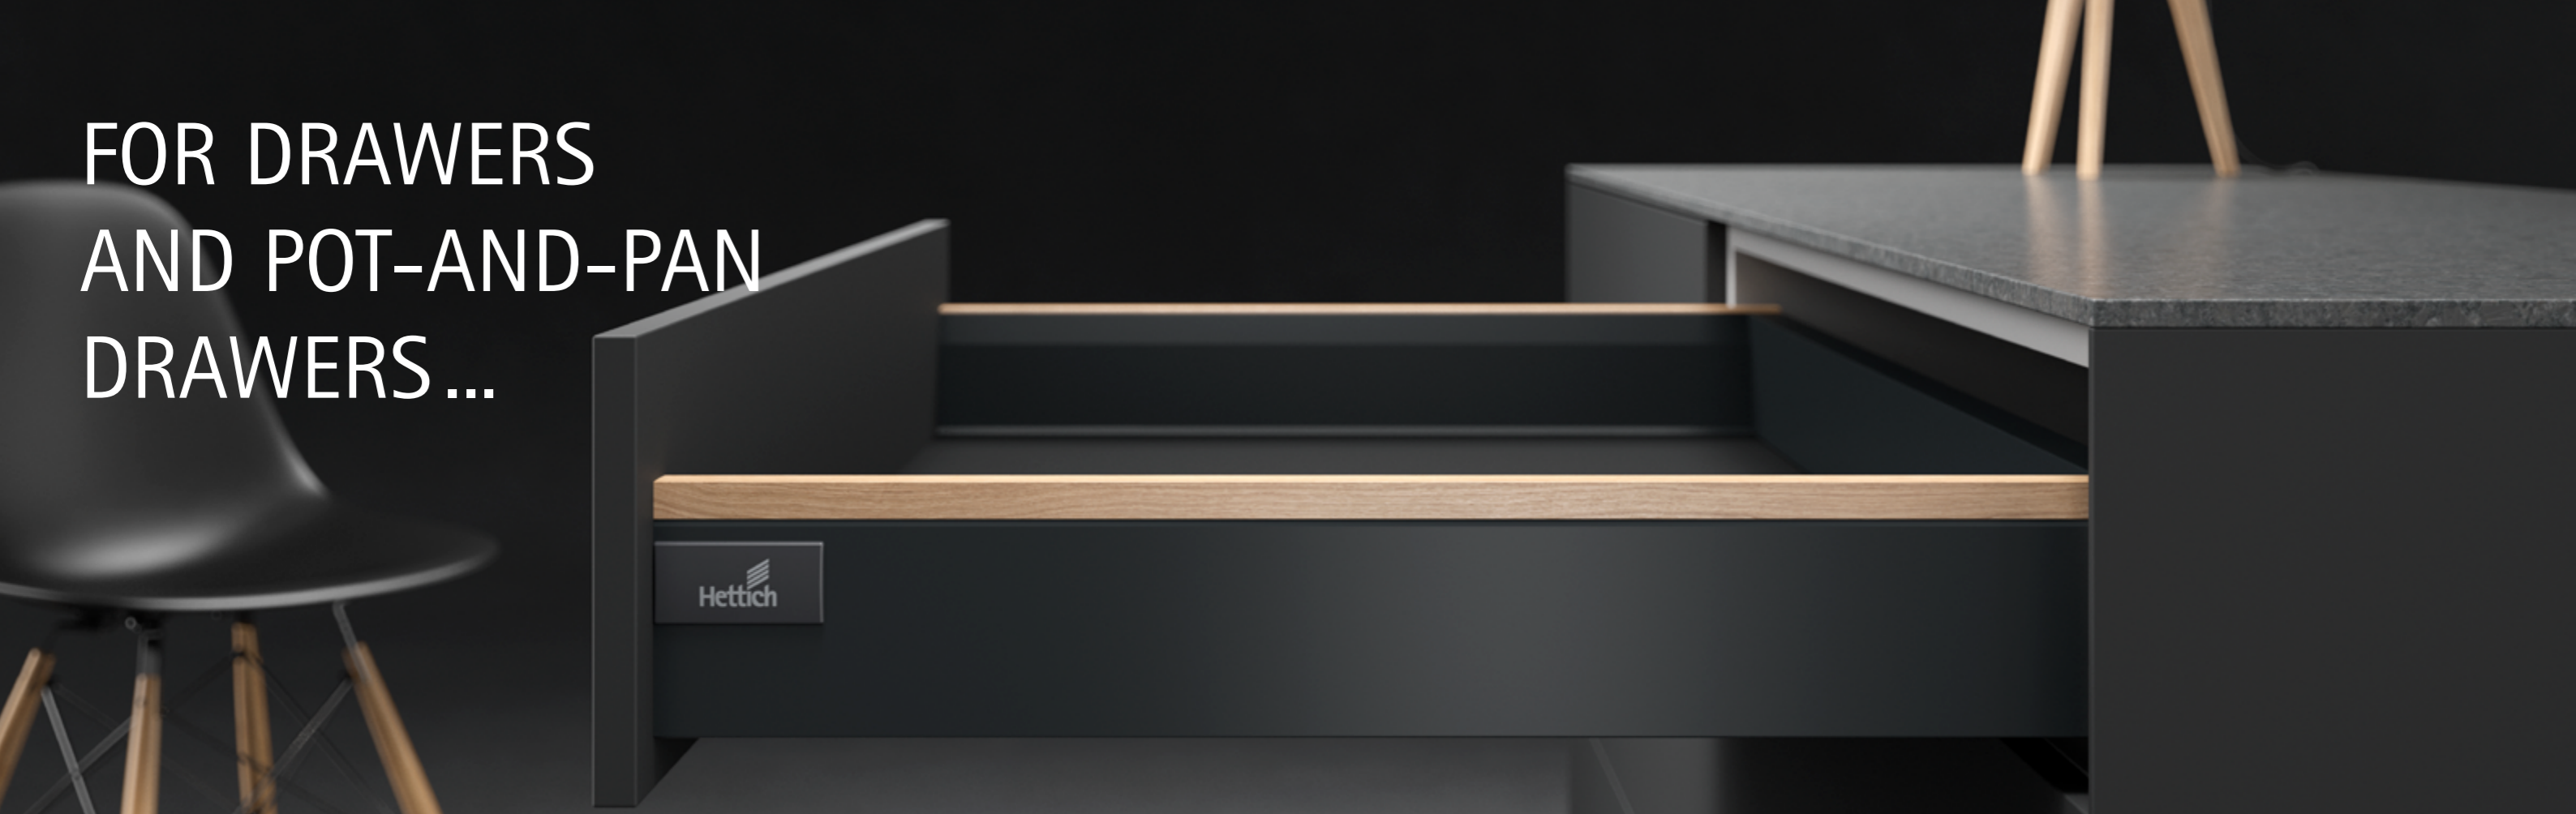

while also providing the adaptability you need to meet individual requirements. Our design profiles are ideal for customising ArciTech drawers and pot-and-pan drawers for added effect and a truly unique look. With ArciTech you can show off a new side, time and time again.

MINIMUM DETAIL.
MAXIMUM EFFECT.

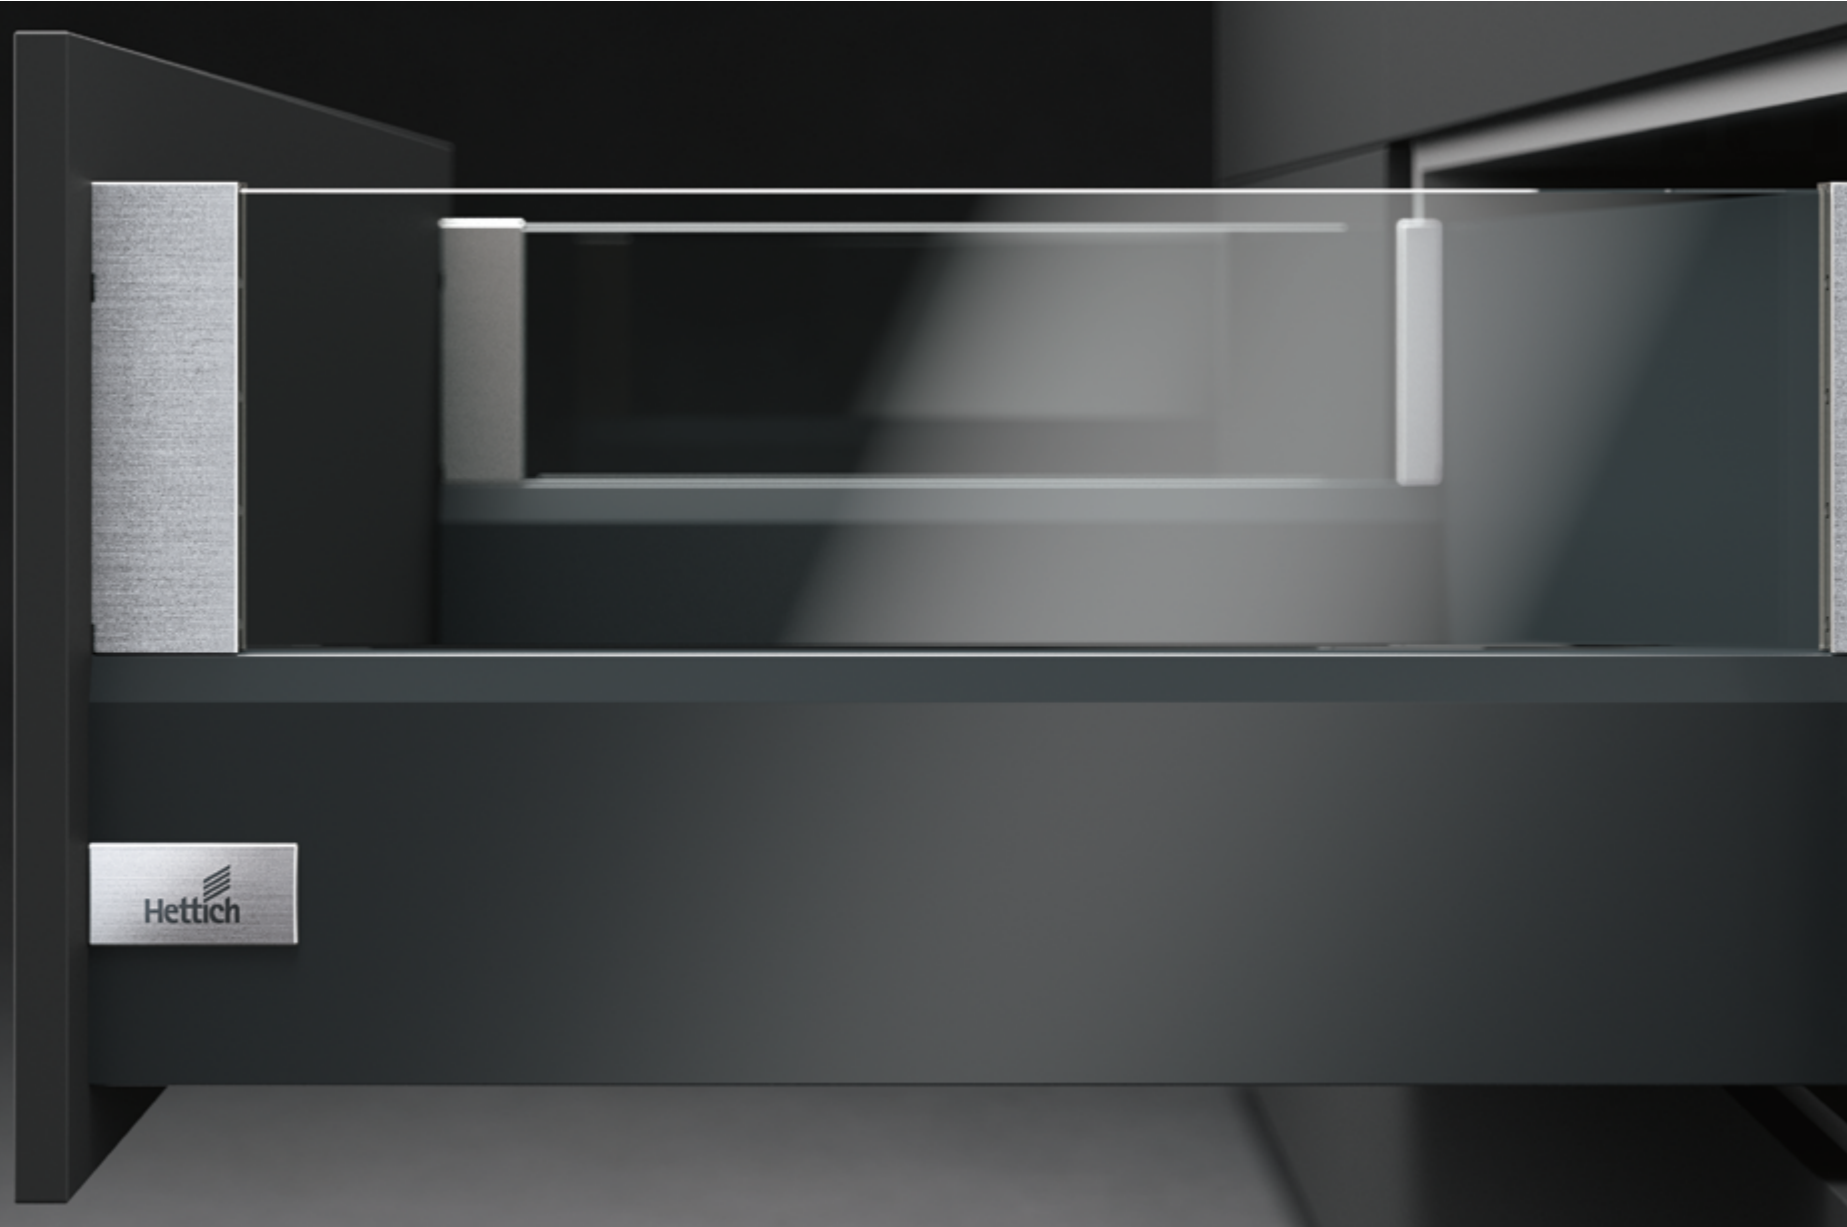

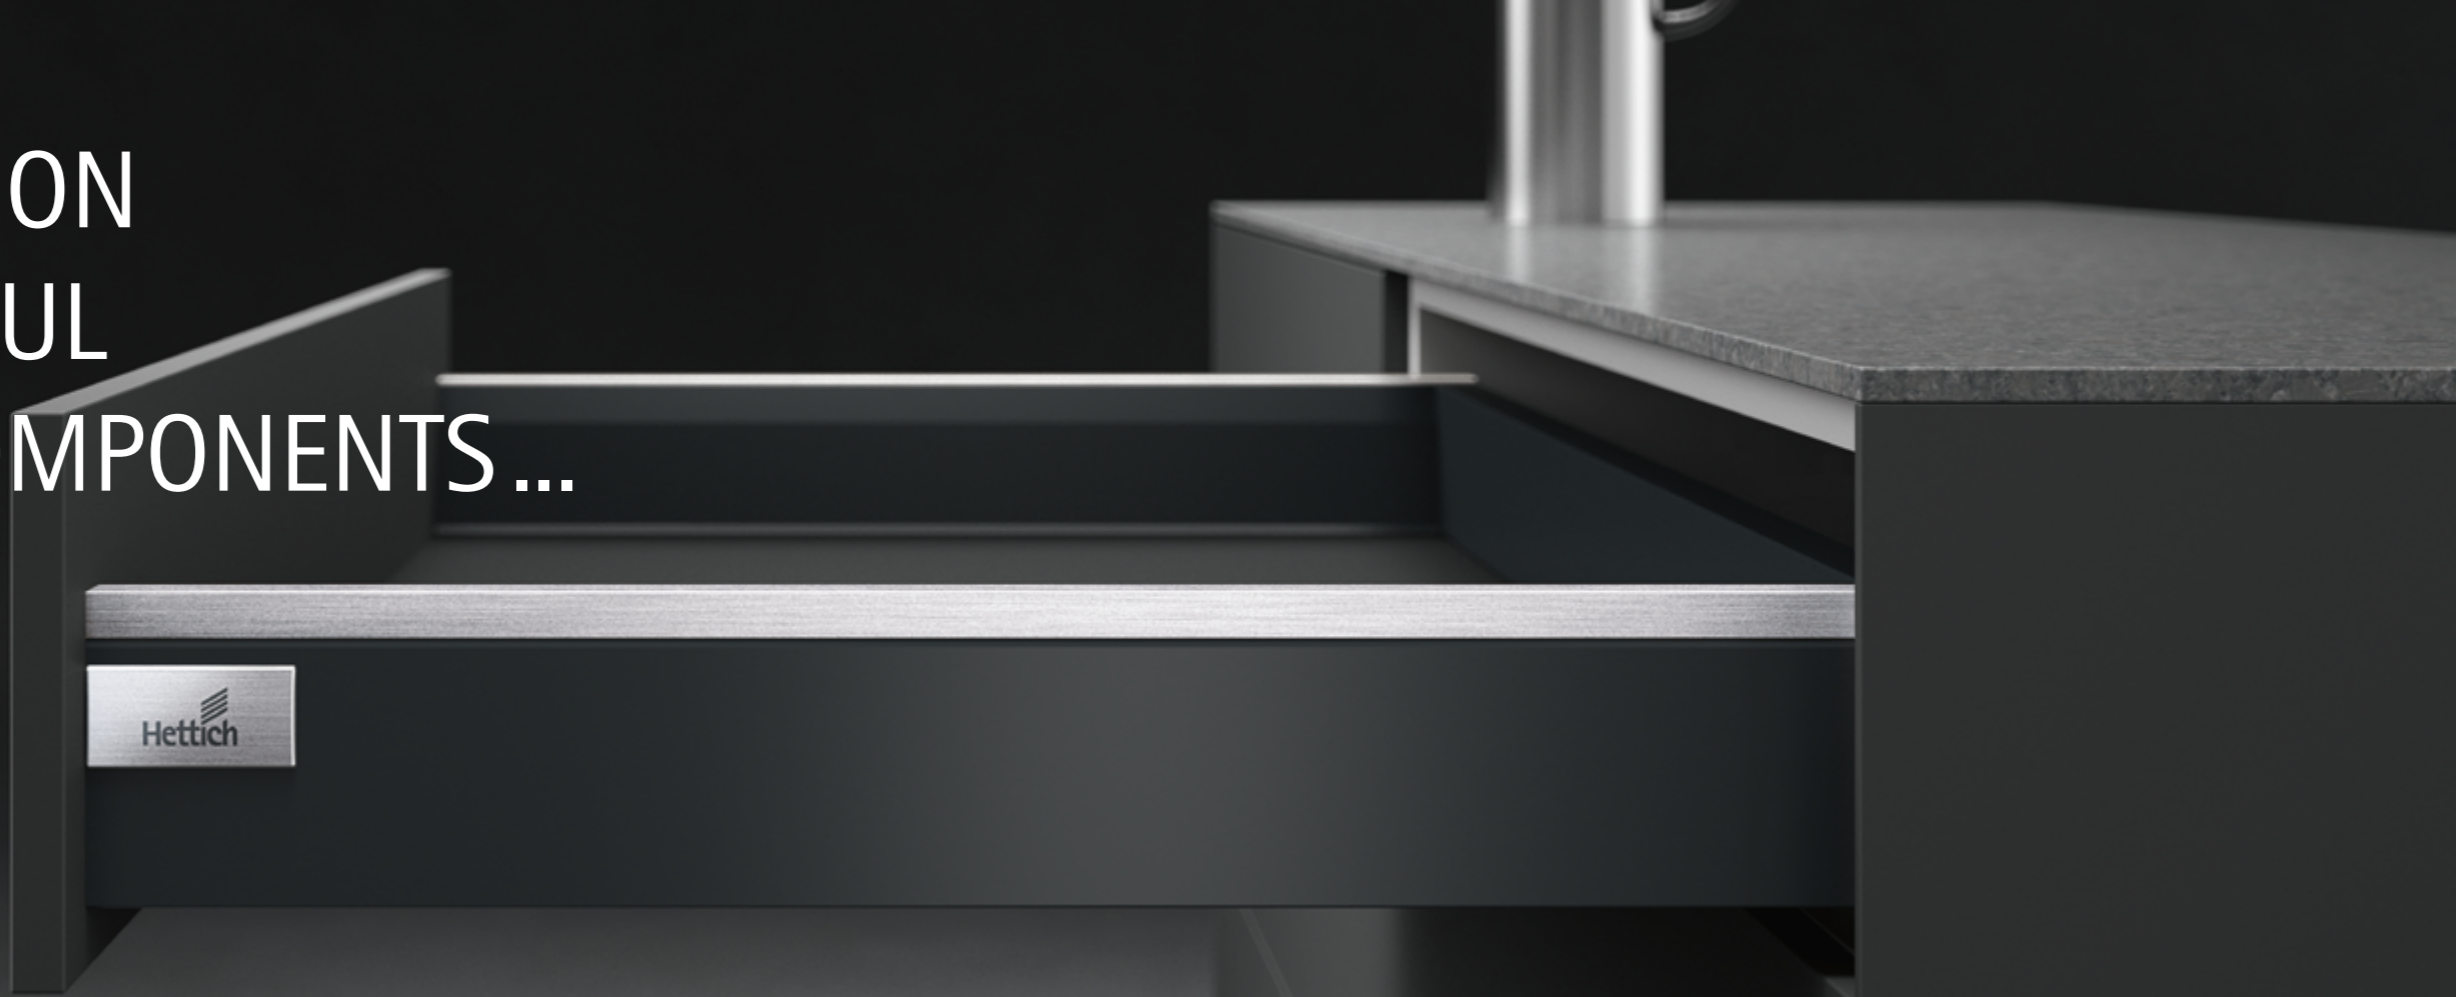

FOR DRAWERS
AND POT-AND-PAN
DRAWERS ...

COMBINED
WITH COLOURFUL,
MATCHING
DESIGNSIDES ...

IN CONJUNCTION
WITH BEAUTIFUL
COLOURED COMPONENTS ...

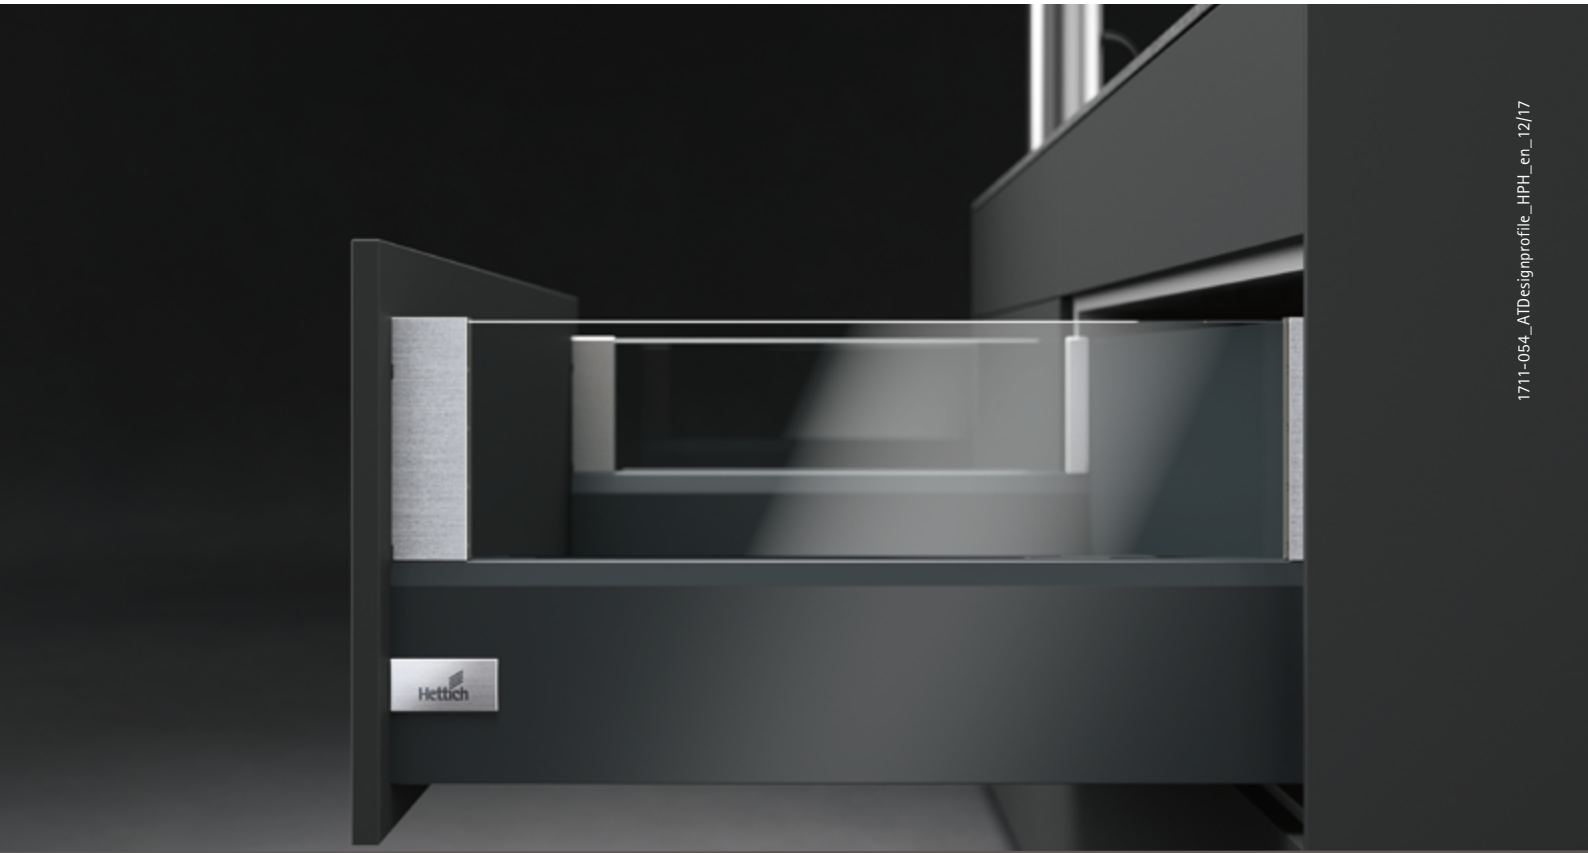

VERSATILITY THAT KNOWS NO BOUNDS ...

ArciTech inspires with its systematic diversity in design. You can mix and match all the standard components with ease for ultimate flexibility. And the best thing? You don't even have to change your production processes. Making a mark of distinction has never been so affordable. It all comes down to what you make of it.
