

DOMINATOR®

THE LATEST IN GARAGE DOOR STYLE

Nevada Flat Panel Sectional

DESIGNED WITH CURRENT TRENDS IN MIND

A refined flat folded negative detail design produced from heavy gauge steel creates a finish that is well proportioned and strong. The Nevada is an ideal choice for contemporary house designs that demand simplicity or for larger garage openings.

Whether you want to match your roof, walls or windows, the Nevada sectional door has the colour palette to suit. Available in Zinalume® or Powder Coated from a range of quality Dulux® Powders, your home's unique colour scheme will be enhanced by this premium Dominator® garage door and opener.

Ensure worry-free operation, with a Dominator GDO opener featuring advanced TrioCode™ 128 multi-frequency technology.

YOU HAVE THE CHOICE

Dominator continues to be the most recognised Garage Door brand in the country, and with that comes a solid reputation based on quality products and people you can trust.

Many people choose a Dominator door for this very reason and now there is another, our Nevada Flat Panel garage doors.

Since you're creating an individual home to suit your taste, we've developed our Nevada Flat Panel to add further uniqueness to our already vast range of styles. Call 0800 DOMINATOR (366 462) or visit www.dominator.co.nz to find your nearest Dominator Dealer to discuss what this exciting new style of Insulated Door could mean for you and your family.

Our range of dependable insulated garage door styles is now even better!

The flat folded design of the Nevada provides a solid aspect to any garage opening. Its eye-catching look with bold crisp lines is a result of its 'negative detailing' and is a perfect match with modern architectural trends.

WHETHER YOU REQUIRE A NEW GARAGE DOOR OR ARE UPGRADING, YOU'VE GOT TO CONSIDER OUR PREMIUM NEVADA FLAT PANEL INSULATED DOOR.

GET THE USE OF YOUR GARAGE BACK

We factory-fit a sophisticated insulator used the world over to our Nevada door. Silver-grey in colour, this unique product is EPS infused with graphite providing around 20% better insulating performance than the standard EPS offering.

At the same time your door is an excellent barrier to noise pollution. The acoustic dampening provides a perfect shield against noise entering and/or exiting your garage.

A BRAND WITH A HISTORY YOU CAN TRUST

We've taken what we know works here in New Zealand, and added a refined negative detailing to our time-tested flat-folded steel sectional door. All this with the same quality hardware, attention to detail, professional installation & service that clients around New Zealand have come to know and expect from the trusted people at Dominator®. We know all about garage doors and openers so you don't have to!

The Dominator Nevada Flat Panel is built to last and has our backing so you can be confident that one of the main access points into your home won't let you down.

WARRANTY

Our Nevada Flat Panel door comes with a **5 year warranty** for the steel door panels & associated labour, **1 year warranty** for surface coating, locking mechanism & all other components & associated labour (excludes salt corrosion).

DOMINATOR OPENERS CREATE ADDED CONVENIENCE

With super quiet variable speed operation, belt drive options and feature rich design, Dominator Garage Door Openers are amongst the best in the world and professionally installed across New Zealand by trained authorised dealers.

RELIABLE AND SECURE

Your Dominator garage door is not only positively locked by the opener gearing, it benefits from our revolutionary new garage opening transmitter system, TrioCode™ 128.

Using the same 128-bit Advanced Encryption Standard (AES) security as relied upon by banks, (there's 309 trillion trillion code possibilities) it also transmits across three frequencies to overcome wireless interference issues.

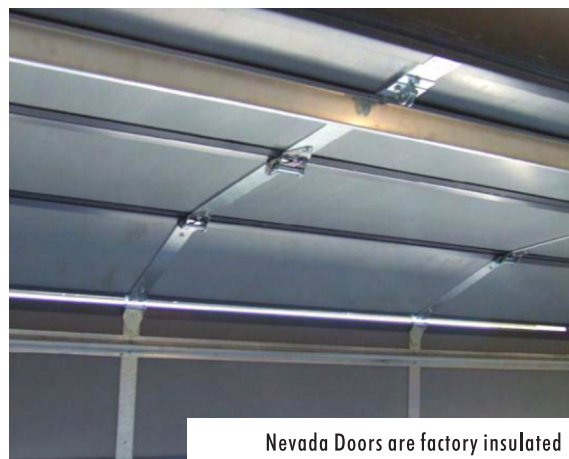

Basically, your kids are 23 million trillion times more likely to become astronauts than pick the correct Triocode™ 128 code combination - one less thing to worry about.

Featuring TrioCode™ 128 Technology

Works with a wide range of cladding

Nevada Doors are factory insulated

The negative detail adds visual appeal
