

3 SPEED CAPACITIVE 'DEBUZZER' FAN CONTROL

CAT 625C3 and 625C3/1 speed fan control.

OPERATION

This capacitance based fan speed controller gives 3 speed control of ceiling sweep fans (eliminating annoying buzzing and humming noises usually associated with fan controllers).

The 625C3 and 625C3/1 is supplied in a standard 600 series plate and can be used for new installations or to replace existing controllers.

This controller is fully shrouded and the capacitance unit is fixed to the rear of the switch plate so no parts are left hanging in wall cavities.

SPEC AT 25°C

The 3 speed debuzzer fan control operates on 230-240v ac 50Hz supplies, controlling sweep fans up to a max of 100VA.

WIRING

The 625C3 and 625C3/1 requires only two wires at the switch point, as per the wiring diagram below.

Suitable for use with most popular fans available.

If you have any queries as to suitability, please contact Schneider Electric on 0800 652 999 (NZ) or contact state sales office or agent (Aust).

PRODUCT WARRANTY/12 MONTHS

The PDL Cat 625C3 and 625C3/1 has a 12 month warranty from the date of purchase providing the unit is installed according to these instructions, local wiring regulations and Codes of Practice. This warranty is void on any unit which has been tampered with, damaged by accident, improper operation or incorrect installation.

This guarantee is in addition to, and does not in any way affect the rights under the Consumer Guarantees Act 1993, if the ACT applies to the supply of this product and you are not acquiring the product for a business use. If the ACT applies and any term is inconsistent with the terms or requirements of the ACT that term shall be invalid without affecting the remaining terms of the warranty.

Note: Under the CGA 1993, Schneider Electric advises that this product does not contain user serviceable components thus spare parts and repair facilities are not available.

In the event of a warranty claim, the product must be returned to the point of purchase or direct to Australia/New Zealand distributors together with the proof of purchase.
