Why IBS?

Since 1993, IBS has been working with the top building products producers from around the world to bring New Zealand a panel product range to help Kiwis build better.

We're always looking for what product is new and improved in the world market as well as developing new products right here in New Zealand. Our products go through a rigorous internal testing process as well as being third party verified to ensure that they are certified to comply with New Zealand building code requirements and standards.

We also make sure that our products are supplied from a sustainable renewable resource.

IBS Mission Statement

IBS strives to be New Zealand's leading provider of quality panel products.

With a vast range of sustainably sourced products from around the world, we aim to give our customers the best service, best product and best range.

The IBS (Independent Building Supplies) team is committed to providing quality building products backed up with testing and documentation to make our products reliable, along with knowing that they come from a sustainable renewable resource.

We search the world and NZ to find the best panel products, test them to make sure that they are the best and send them around the country to help Kiwis build better.

What is EUROLine?

EUROLine is an OSB (oriented strand board), moisture-resistant, engineered structural wood panel. It is manufactured from sustainable resources from Europe. It consists of three layers of wood strands bonded together with heat-cured adhesives. The layers are oriented at right angles to adjacent layers to create a strong, dimensionally stable panel that resists delamination and warping.

EUROLine is available in panels of 2440 mm in length, 1220 mm in width, and thickness of 9, 12 and 18 mm. The consistent strength characteristics and look of this product makes it great to use for:

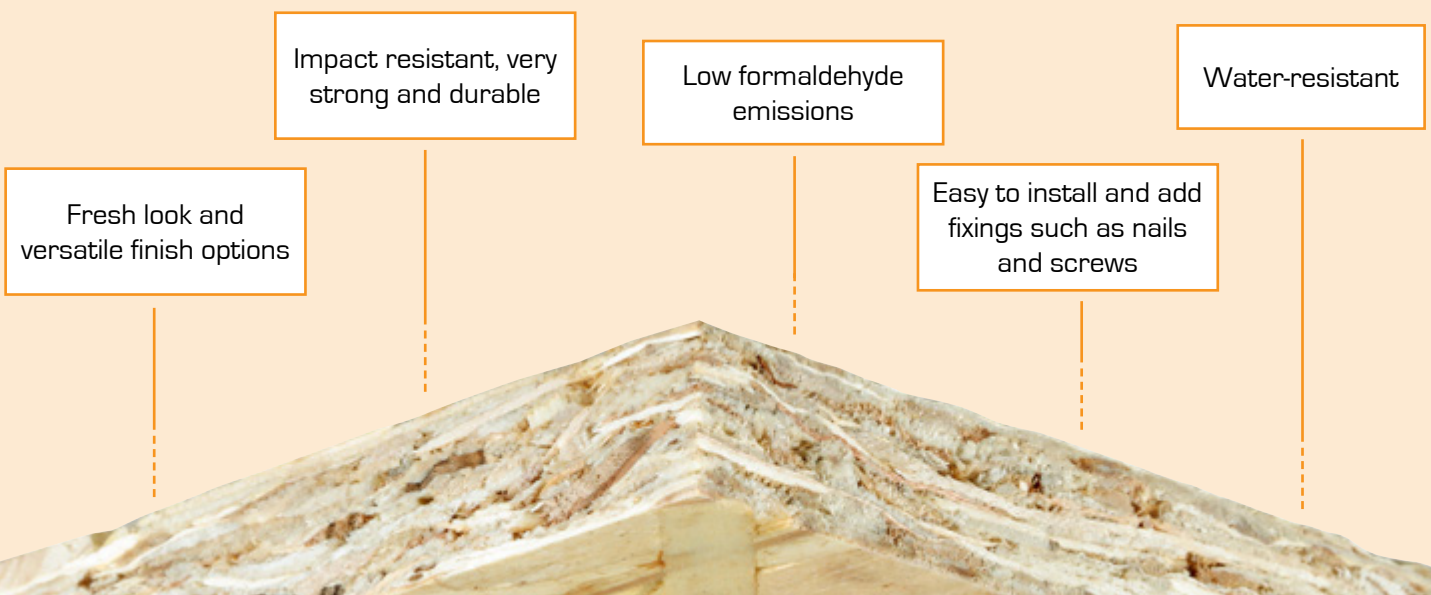

- Wall or factory linings
- Ceiling linings
- Wall bracing
- Fruit bins
- Furniture
- Steel frame racking inserts
- Partitions
- Hoardings
- Anywhere you would use an untreated plywood

Our EUROLine product range

IBS EUROLine Product Details			
L X W x Thickness (mm)	Weight (kg)	IBS Product Code	GTIN
2440 x 1200 x 9	16.5	OSB092412	09421028761239
