Ulti-Line

Are you frustrated that your work area looks like an unorganized sock drawer, but at the same time you are concerned with the overwhelming effort required to paint and maintain painted lines? Ulti-Line was developed as an alternative to the painstaking process of painting floor lines, **both interior and exterior!**

ULTI-LINE

VS

PAINT

Interested in installing lines and floor signs at your facility, but believe you can't afford the downtime required to allow painted lines to dry? No problem, installation of Ulti-Line's peel-and stick floor tape requires zero production downtime.

THE ADVANTAGES OF ULTI-LINE:

- Longer Lasting
- Rapid Install
- Durable thick finish
- No drying time
- No contamination issues with Pharmaceutical or Food Produce
- Can be cleaned
- Easily removed if required

Power failures can create unwanted employee anxiety. Gain your workers trust, and demonstrate that you care for them by installing Ulti-Line's glow-in-the-dark floor tape. Ulti-Line glow-in-the-dark tapes highlight exit pathways during power failures. Your staff will appreciate your foresight to keep them safe during these unfortunate power failure evacuations.

DISADVANTAGES OF PAINTING:

- Wears down quickly
- Longer time to install
- Thinner finish
- Takes time to dry
- Can create contamination with Noxious Fumes or Over-Spray
- Hard to clean
- Hard to remove if layout changes

WHAT DOES ULTI-LINE DO?

- Segregates pedestrian traffic from motorized vehicles
- Illuminates walkways during power failures
- Keeps critical areas clear of obstacles with Ulti-Line floor safety signs
- Utilises Ulti-Line organizing floor markers for lean manufacturing improvements
- Colour coded to show specific location areas with different coloured Ulti-Line floor tape
- Ulti-Line floor tape is easy to install and lasts!
- Ulti-Line floor tape comes with a 2 year warranty!
