DOMINATOR[®]

MAKING THE RIGHT CHOICE.

CHOOSE FROM OUR WIDE RANGE OF COLOUR OPTIONS TO SUIT YOUR PERSONAL TASTE AND THE STYLE OF YOUR HOME.

All of our pre-painted steel is made in New Zealand for New Zealand conditions. New Zealand Steel Limited is our preferred supplier of steel for garage doors. With over 30 years of experience, COLORSTEEL® is made with custom paint formulations to provide excellent colour performance and scratch resistance.

DISCLAIMER

The colours in this gallery are intended as a guide only and are not available in all door styles. Refer to the applicable style brochure for a colour matrix. If colour selection is critical please request a steel colour sample from your local Dominator dealer. Please contact your Dominator dealer for advice and samples. Dominator reserves the right to change/delete colours without notice.

LOOKING FOR SOMETHING ELSE?

We have teamed up with Dulux to offer over 100 optional powder coated colours. Powder coating is a process where our garage doors are covered with a polyester or epoxy powder, which is then heated to fuse into a protective layer.

You get an excellent finish and the choice of just about any colour you want.

METAL COLOUR SWATCHES

METAL COLOUR SWATCHES AVAILABLE FROM YOUR DOMINATOR DEALER.

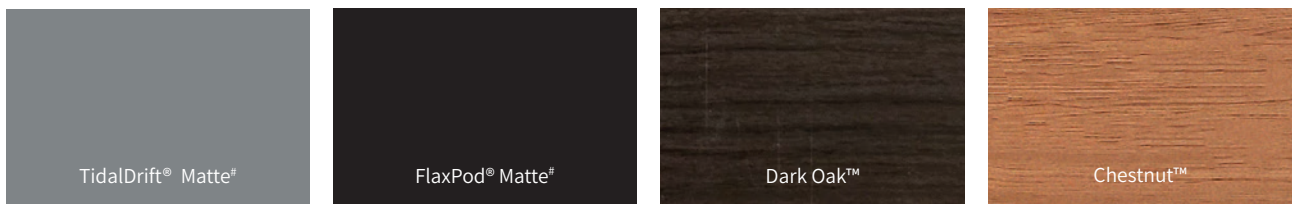

DULUX POWDER COATINGS

WANT A DIFFERENT COLOUR? ASK ABOUT OUR RANGE OF DULUX POWDER COATINGS.

MATTE COLOURS

*Available for Roller Door styles only.

#Only for Sierra and Nevada doors.

†Normally acceptable imperfections that are inherent with flatter door styles may be visually enhanced by darker door colours such as those marked.

HOME SAFE HOME, WITH STYLE.

Safe and secure design is our priority and we are focused on helping protect the things you hold precious.

Our commitment to quality flows through everything we do, including providing a friendly and skilled measure, quote and installation service. We are the complete garage door professionals. For more information on our latest Colour Collection, please contact us on **0800 366 462** or visit a Dominator dealer near you.

Colour and Your Door.

Dominator takes pride in producing quality doors and openers. However, some things are out of our control – like the direct heat of the sun and seasonal temperatures that can cause irregularities in the door panel surface (due to thermal expansion). The colour you choose can also play a part. Talk to your Local Dominator Dealer for further advice around your requirements and expectations.

Each Dominator door is custom-built to fit your garage perfectly. For more details on this product or our other ranges call 0800 366 462 or visit www.dominator.co.nz.

- a. For areas within one kilometre of a corrosive environment e.g. salt air or industrial fallout, special care and maintenance are generally required for metal products. Consult your Dominator Accredited Dealer for advice.
- b. The company reserves the right to make changes or improvements to the products or accessories without notice and without incurring any obligation to make similar changes or improvements to goods previously ordered. Specifications subject to change without notice.
- c. While New Zealand Steel Limited is our preferred supplier, steel products from other sources may also be used.
- d. Details correct at date of publication.

As with all types of garage doors, for optimal trouble free performance and safety, we recommend you have your door serviced once in the first 12 months and then at least every 2 years thereafter. Dominator® is a brand of B&D Doors (NZ) Ltd. Ph. +64 3 384 5145
