

WARRANTY PERIOD

1. We warrant that the products will, subject to the terms set out below, Meet the B2 Durability, E2 External Moisture & F2 Hazardous Building Materials standards of the New Zealand Building Code for the Warranty period provided the products have been Installed correctly by a Licensed LBP Builder/Installer.
2. This warranty covers the products installed by a licensed LBP Builder in accordance with the Branz appraisal & manufacturers supporting details provided they were new & unused good condition at the time of Installation & have not been disturbed thereafter.
3. We will not be liable for any failure of the products caused in whole or in part by the products not being Installed correctly. We also do not give any warranty as to the suitability, Qualifications of any Licensed Builder/ Installer. Under no circumstances will we be liable for their acts or omissions.
4. **Our warranty does not cover the following:**
 - A) Any workmanship of the Licensed LBP Builder/Installer engaged to Install ULLTRACLAD products.
 - B) Objects penetrating or damaging ULLTRACLAD products.
 - C) Any Shifting or Altering of the ULLTRACLAD products after Installation.
 - D) Any Deliberate, Wilful, Reckless or Negligible Act.
 - E) Any deterioration or change in the Aesthetic colour of finish of the ULLTRACLAD products.
Please refer to the separate warranty provided by the approved DULUX surface coating applicator.
 - F) Chemical damage caused by the use of Solvents or Solvent based cleaners.
 - G) Acts of God.
 - H) Consequential Loss of any kind whatsoever.
5. The liability of ULLRICH ALUMINIUM LTD is Limited to the cost of Repair or replacement supply of the ULLTRACLAD products.
