### NEW AND IMPROVED - PATENTED NO WELD SYSTEM

Push slat in at angle.

Push slat in and rotate slat down into position.

## ABOUT ELITEFENCE

The new modular aluminium fencing kit with a patented no weld system is now available from PlaceMakers. The simple push together system makes it quick to install with no welding or screwing required, providing that flawless look.

Slats can be easily adjusted with the 9mm Spacer Blocks included in the Slat Box or 20mm Spacing Blocks sold separately. Desired widths and heights can also be easily cut to size on site. Available in a range of contemporary powder coated colours, we believe there is one that will be ideal for your next outdoor and landscaping project.

Converting your EliteFence to a Louvre is easy with EliteFence Louvre Brackets (sold separately in pairs).

*Note: Gate Kits cannot be converted to Louvre and not compatible with 90° Corner Posts.*
