

Dulux Prep Wash

NZ_DD01782

Part A	951-82195
---------------	-----------

Description
Dulux Prep Wash is an essential preparation product designed to obliterate dirt and mould, mildew and algae from new and old exterior surfaces prior to applying paint systems. It is effective in removing mould and other contaminants, cleaning and preparing the surface for coating. It also whitens stains and grey weathered timber.

Features
<ul style="list-style-type: none"> • Contains mildewcide • Supplied as concentrate • Removes algae etc

Benefits
<ul style="list-style-type: none"> • Removes dirt and grease stains • Combats mould, mildew and algae • Easy to use • Prepares surfaces for painting

Uses
Cleaner that prepares all exterior surfaces for coating. Suitable surfaces: Timber, weatherboards, concrete, roof. Not suitable for coatings. Do not allow to come into contact with powder coated surfaces. Protect plants, bushes, metal and paint work that is not to be cleaned, with plastic sheets. Rinse off immediately and thoroughly if contact occurs. If contact with glass occurs, rinse thoroughly immediately. DO NOT mix with acids, bleach products, or other household cleaners.

Typical Properties			
Thinner	Water	Colour	Pale yellow
Components	1	Mixing Ratio	1:1 with water
Touch Dry	15-20 Minutes.		
Clean Up	 Water		
Clean Up Description	Clean up all equipment with water. Do not contaminate storm water with product or product washings.		
Application Method	 Brush Other: Broom Garden sprayer		
Application Conditions		Min	Max
	Wet Film Per Coat (microns)	0	0
	Dry Film Per Coat (microns)	0	0
	Recoat Time (min)	n/a	n/a
	Theoretical Spread Rate (m²/L)	6	12
		Recommended	
		0	0
		n/a	n/a

Application Guide	
Surface Preparation	<ul style="list-style-type: none"> Remove any extreme caked dirt/mud with a waterblaster before using Dulux Prep Wash. Test on a small inconspicuous area at recommended dilution to determine effectiveness and strength required. Note: Wear protective gloves and goggles when using this product. Dulux Prep Wash is not a paint remover; however it may remove some old and weathered coatings. This product may not be able to remove hard water deposits, mould or mildew from old grout or silicone caulking. Precaution: Protect plants, bushes, metal and paint work that is not to be cleaned, with plastic sheets. Rinse off immediately and thoroughly if contact occurs. If contact with glass occurs, rinse thoroughly immediately. DO NOT mix with acids, bleach products, or other household cleaners.
Application Procedure And Equipment	<ul style="list-style-type: none"> Apply by broom or brush. Or by garden sprayer. <ol style="list-style-type: none"> Add one part Dulux Prep Wash concentrate to one part water in a clean plastic bucket and mix well. Test on a small inconspicuous area at recommended dilution to determine effectiveness and strength required. Apply diluted Dulux Prep Wash solution to walls/roof/trim with a broom/brush or garden sprayer. Leave the solution on the surface until mould and mildew stains disappear or soften (approximately 10 minutes), avoiding allowing the solution to dry out. Scrub vigorously. Rinse off the surface with water using a high pressure or garden hose and allow surface to dry. Surface may be slippery while wet (roof). Stubborn stains may require longer time, more vigorous scrubbing, or additional treatment. Severely stained surfaces may need a power washer, or treatment with undiluted Dulux Prep Wash concentrate.

Health And Safety			
MSDS Number	000000022880	Using Safety Precautions	For detailed information refer to product label and the current Material Safety Data Sheet available through Dulux Customer Service on 0800 800 424.
MSDS Link	http://duluxgroupmsds/pdf/SHESSE-EN-CDS-020-000000022880.pdf		
Health Effects	Causes severe skin burns and eye damage.	Flammability	Non combustible, however, if involved in a fire use: water fog, foam, dry agent.
Personal	Avoid skin and eye contact and avoid breathing vapour. Use in adequate ventilation. Wear protective gloves and eye/face protection. Wash hands thoroughly after using.	Protective Equipment	Wear protective gloves and goggles when using this product.
