### Finished Product

#### Details

|                                       |                        |
|---------------------------------------|------------------------|
| Product Code                          | 6151                   |
| Application                           | Golf                   |
| Pile Height (mm)                      | 20 mm                  |
| Colours Available                     | Field Green            |
| Total Product Weight g/m <sup>2</sup> | 2,220 g/m <sup>2</sup> |

#### Supply

|                         |           |
|-------------------------|-----------|
| Available Width         | 3.71m     |
| Standard Roll Length    | 20.0 lm   |
| Approx. Shipping Weight | 8.2 kg/lm |
| Line Systems            | N/A       |

#### Infill Material

|                    |                                    |
|--------------------|------------------------------------|
| Stabilising Infill | N/A                                |
| Performance Infill | Kiln dried silica sand (14 kg/sqm) |

### Product Warranty

|          |   |
|----------|---|
| Warranty | Seven (7) year limited warranty as per manufacturer's standard warranty terms |
|----------|---|

### Configuration

|                                |                        |
|--------------------------------|------------------------|
| Machine Gauge                  | 4.76 mm (3/16")        |
| Stitch Rate                    | 21 per 100 mm          |
| Yarn Weight                    | 1,200 g/m <sup>2</sup> |
| No. of Tufts (m <sup>2</sup> ) | 44,118                 |
| Perforated                     | Yes                    |

### Yarn Properties

|                   |   |
|-------------------|---|
| Yarn Construction | Texturised PE Monofilament  |
| Linear Density    | 600 Tex   |
| Environment       | Environmentally friendly yarns which are heavy metal free   |
| UV Stability      | The yarn is protected against UV degradation to the highest level as specified in the yarn manufacturer's warranty terms and conditions |

### Primary Backing

|                |         |
|----------------|---------|
| Construction   | Dual PP |
| Primary Layers | Dual    |

### Secondary Coating

|                     |                      |
|---------------------|----------------------|
| Compound Base       | Hybrid Emulsion      |
| Tuft Anchorage      | 40 Newtons (minimum) |
| Antioxidising Agent | Present              |

Manufactured in Australia.

As with any manufactured products, specifications may vary within industry tolerances. September 2019
