

8000 Series

Door furniture

Fire Rated: Tested on fire door assemblies in accordance with Australian Standards, refer fire door manufacturer for specific approval details

Modern design combined with functionality are the hallmark of the Legge 8000 Series, with a refined square rose and a wide selection of designer levers to choose from.

The Legge 8000 Series will enhance the standard and elegance of any residential and commercial applications like apartments, office fitouts, hotels, and highend quality homes.

Features

- Constructed of quality components, with forged brass levers and die cast inner roses
- Heavy duty spring provides a smooth, positive return action of the lever and eliminates drooping extending the life of the product
- Furniture re-handed by simple relocation of stop block
- Levers non-handed, except for Alessandro and Chagall when used as either a half set or half set fixed
- The 10 year warranty provides specifiers and users with assured quality and performance
- Suitable for use on fire door assemblies when used with fire rated locks and latches
