

## Model: APP

Model APP is a pressed steel access panel which is available in three sizes, small (250 x 150), medium (300 x 200) and large (450 x 350). The APP is installed by simply cutting a hole in the duct as per the template provided and then inserting the access panel. No fastenings are required.

Overall Panel Size (mm)	Hole Cut Size (mm)	Guide Product Weights
		Approximate Weight in Kg.
280 x 180	250 x 150	1.03
330 x 230	300 x 200	1.56
480 x 380	450 x 350	3.58

Note: The hole in the duct should be cut using the supplied template.
