Carpet Collection

Tiles & Planks

Explore our carpet tile collections Geologic™, Precinct, Sphere™ and Temporal™ all in a 500mm x 500mm size, along with our sleek Proximity™ carpet plank in a modern 250mm x 1000 size. The ranges are designed to suit a variety of spaces and aesthetics with a streamlined look for visual appeal.

Each range is meticulously crafted with a PVC and bitumen free backing, prioritising both sustainability and performance. Featuring low VOC emissions, the collections contribute to improved indoor air quality, fostering healthier environments for living and working.

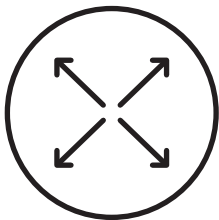

The multi-layer construction ensures exceptional dimensional stability, while the lightweight design and uniform backing streamlines installation and enhances subfloor adhesion. Built to withstand heavy foot traffic, the collections offer long lasting durability, making it the ideal choice for a wide range of commercial spaces.
