Experience water at its best

# 70 years of innovation

Zenith Water is a wholly owned subsidiary of Zip Water. With unrivalled expertise in instant filtered boiling, chilled and sparkling water, Zenith Water is known globally for being home to the Zenith HydroTap, which dispenses pure-tasting water at the touch of a button.

Founded in Australia in 1947, we've always been innovators, advancing and perfecting our drinking water technology for decades. Today, we're proud to provide workplaces, in over 70 countries across the world with the purest tasting water possible from our range of Zenith HydroTaps.

Access the latest water filtration technology for pure-tasting water. Convenience at the touch of a button for instant boiled, chilled and sparkling water. Stylish designs and finishes to suit any kitchen and declutter bench space for efficiency. Keep up with the busy demands of a workplace with HydroTap technology. We provide drinking water solutions for all workplaces - offices, health and aged care facilities, small businesses and workplaces looking to reduce shared touchpoints.

Experience water at its best with Zenith HydroTap.

| BOILING | CHILLED | SPARKLING | AMBIENT | HOT & COLD |

# Powered by our latest G5 technology

Zenith HydroTap's superior filtration and compact, efficient design makes it the perfect water solution for any workspace.

Remove kettles from your benchtops. Eliminate refrigerated bottles of still and sparkling water. Save space, energy and money. Forget deliveries and storage of water cooler bottles.

The Zenith HydroTap is a convenient and practical way to offer your staff, customers and visitors fresh, pure-tasting water – instantly and safely.

# Experience water at its best with HydroTap in the workplace

Pure-tasting boiling, chilled and sparkling water in an instant, delivered seamlessly with a Zenith HydroTap. There is a HydroTap to suit any workplace.

## For the office workplace

Workplace productivity and wellbeing is vital to your team environment. Zenith HydroTap meets all your workplace water needs, in one elegant, easy-to-use system, using the latest technology so that it can keep up with a busy workplace. Introducing our latest addition to our flagship HydroTap range - Classic Plus.

## For touch-free workplaces

With an increased consideration around hygiene in the workplace, Zenith HydroTap Touch-Free Wave provides a 100% touch-free solution to instantly dispense pure-tasting drinking water with a simple wave of a hand.

## For the small workplace

Award winning Zenith Micro is our smallest ever drinking water system, designed to fit under almost any bench and keeps up to 10 people hydrated – the perfect solution for smaller offices.

## For health and aged care facilities

For health and aged care facilities, HydroTap UltraCare is proven to deliver a 99.9% reduction in Legionella*.

*ALS Pty Ltd Testing of the Zip HydroTap UltraCare system efficacy tests. Zenith brand used in New Zealand.

# Say hello to the new Classic Plus

## Sleek design meets slick function

With simple, intuitive controls including continuous flow to fill bottles and coming in seven ultra-modern finishes, HydroTap Classic Plus will offer instant hydration and convenience to any workplace.

## Smarter and sustainable

Customise your HydroTap G5 system by selecting energy modes and usage settings with the optimised new menu. With easy to change high quality filters, a Zenith HydroTap will support your sustainability ambitions and remove the need for bottled water in the workplace.

## Protection where it counts

Zenith HydroTap G5 has SteriTouch® antimicrobial protection impregnated within key water surfaces as well as on the new Classic Plus touch-pad for enhanced hygiene.

# G5
TECHNOLOGY

# Create a safer workplace with HydroTap Touch-Free Wave

Introducing Zenith HydroTap Touch-Free Wave, with smart infrared sensors that activate boiling, chilled and sparkling water.

With an increased consideration around hygiene in the workplace, new Zenith HydroTap Touch-Free Wave provides a 100% touch-free solution to instantly dispense pure-tasting drinking water with a simple wave of a hand.

## How it works

- Infrared smart sensors detect hand movements within 1.5 - 5cm in range of the tap

- Once the hand moves away, the water flow will stop

- All drinking water types will have a maximum run time of 15 seconds which is adjustable from the command centre

- Continuous flow to fill bottles with twin sensor activation

## Safety features

- Twin sensor activation for safe delivery of boiling water

- Dispensing will deactivate when the tap is touched or grabbed, allowing for safe cleaning

Wave right for chilled

Wave above for sparkling

Twin sensor activation for boiling

Infrared sensor

Touch-free activation

1.5-5cm sensor range

Deactivates when touched

# Zenith Micro, our smallest ever drinking water system

**37%*** narrower
to fit under almost any bench

Zenith Micro is 37% narrower, perfect for small kitchens for up to 10 people, delivering perfectly **boiling** and **chilled** water at your fingertips.

## Designed with space in mind
Our smallest under-bench system footprint is 37%* narrower.

## Optimised for up to 10 people
Keep up to 10 people hydrated with boiling only or boiling + chilled filtered water options.

## Easy to use
The Zenith Micro tap design comes with an integrated safety lock and uses an intuitive twist activation with auto and manual fill options. The underbench system comes with pre-configured settings and modes.

## Micro-filtration for pure tasting water
Zenith Micro uses the latest filtration technology for pure-tasting water. Zenith filters are certified to reduce bacteria, sediment, odours to NSF 42 (aesthetic effects) and NSF 53 (health effects).

Bright Chrome

### GOOD DESIGN AWARD® GOLD WINNER

## 2020 Gold Accolade Winner
in the Product Design Domestic Appliances category in recognition for outstanding design and innovation.

Zenith Micro is displayed with an optional font kit sold separately (includes 100mm extension and matching stand alone font).
*37% narrower than HydroTap BC20 underbench command centre. Zenith Micro is known as Zip Micro in Australia.

---

# The Zenith HydroTap UltraCare system is proven to deliver 99.9% reduction in Legionella*

Zenith HydroTap UltraCare uses a combination of localised treatments and barriers that are proven as the most effective method of reducing waterborne organisms and pathogens including Legionella**.

The barriers provided in the UltraCare system are:

- MicroPurity™ 0.2-micron carbon-free filtration
- SteriTouch® antimicrobial enhanced surfaces
- MicroPurity™ UV-C LED disinfection
- Life cycle maintenance plan
- Zenith HydroCare Gold+

**Zenith MicroPurity™ 0.2 micron carbon-free filtration** to reduce sediment & cysts greater than 0.2 micron.

**Zenith HydroCare Gold+** A dedicated maintenance plan for health and aged care facilities.

**SteriTouch® inside key water contact surfaces** to protect against bacteria, black mould growth, biofilm and fungi.

**Life cycle maintenance plan**

**Zenith MicroPurity™ UV-C LED disinfection** for pathogen reduction.

### Zenith HydroTap UltraCare is available in 3 tap designs

# HydroTap, powered by new G5 technology

Leading the way in performance and functionality, Zenith's fifth generation G5 technology continues to deliver the convenience you would expect from a HydroTap.

Perfected over 70 years of development and innovation, HydroTap G5 transforms tap water into a form you will love, in an instant.

The G5 command centre is WaterMark approved, which means it is fit for purpose and appropriately authorised for use in plumbing and drainage installations.

## HydroTap product warranty

Zenith HydroTap G5 is backed by a 36 month comprehensive parts and labour warranty, plus a further 24 months on internal tanks.

**3** Year
**Warranty**
Parts and labour

POWERED BY
**G5**
TECHNOLOGY

## PowerPulse technology

Our innovative Zenith PowerPulse technology maintains stored boiling water to within 0.2°C of your set temperature, meaning no energy or time is wasted waiting for water to boil.

## Unique safety features

Zenith boiling water is delivered smoothly and the tap has a safety lock to facilitate safe boiling water delivery.

## Air-cooled system

Our unique air-cooled refrigeration system is 100% water efficient.

## Auto-diagnostics

An advanced auto-diagnostics system continuously monitors your HydroTap's performance.

## MicroPurity™ filtration

0.2 MICRON

Inbuilt 0.2 micron NSF-certified filter incorporating innovative silver ion antimicrobial technology means healthier, pure-tasting water for your workplace.

## Smart Customisation

New optimised menu in the G5 HydroTap command centre allows you to select energy modes and usage settings for easier customisation.

## SteriTouch® antimicrobial protection

protected by
**SteriTouch**

SteriTouch® is impregnated inside materials in contact with key water paths in HydroTap for added protection against surface bacteria.

## Touch-Free Technology

IR

Zenith HydroTap Touch-Free Wave uses smart infrared sensors to activate the tap to dispense boiling, chilled and sparkling water, all without touching the tap.

## $CO_2$ level indicator

$CO_2$

New feature in the command centre shows when $CO_2$ gas is running low.

# Pure-tasting filtered water with Zenith MicroPurity filtration

At Zenith Water, we put water quality at the heart of our offering, with perfectly filtered boiling, chilled and sparkling water instantly.

Our mission is to help our customers to enjoy pure-tasting water, on tap, all the time, and that is why only the best tasting water will do.

## Advanced filtration in every HydroTap system

Zenith MicroPurity uses the latest filtration technology to filter and reduce impurities and potentially harmful contaminants larger than 0.2 microns in size – an impurity that will fit 250 times into a strand of hair.

## Easy to maintain

We recommend regular filter changes to ensure you continue to enjoy pure-tasting water. Our MicroPurity filters are easy to change with a hygienic cartridge and our qualified service technicians can also perform filter changes for your convenience.

## Trust Zenith genuine filters

Every Zenith HydroTap system comes fitted with a geniune MicroPurity filter, certified to reduce contaminants.

Crystal clear pure-tasting water

**MICRO**PURITY™
FILTRATION
SAFELY FILTERS DOWN TO **0.2 MICRON**

### Triple Action Technology

**1. Removes particulates greater than 5 micron**
Pleated membrane pre-filtration

**2. Filter reduces particulates, lead, chlorine, taste, odour and cysts to 0.2 micron**
0.2 micron Fibredyne carbon element including bacteriostatis effect

**3. Reduces limescale build up**
Limescale inhibitor

Zenith MicroPurity filters are certified to reduce chlorine, taste, odour, bacteria, sediment and limescale in line with NSF 42 (aesthetic effects) and WaterMark requirements.

Zenith MicroPurity filtration is also certified to deliver a reduction of 99.9% of cysts including cryptosporidium and giardia, and lead reduction of 98.9% to NSF 53 (health effects).
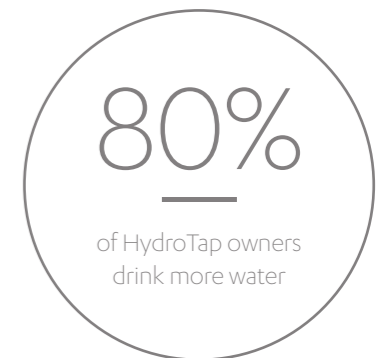

WaterMark    NSF.

# Water for a healthier workplace

Workplace wellness and wellbeing is vital to your team remaining engaged and productive. Water plays a significant role in the function of the brain, so ensuring your staff have access to fresh, healthy water is essential.

Zenith Water research shows that 80% of Zenith HydroTap owners drink more water than before*. Drinking more water offers a range of benefits, such as better concentration and less fatigue. Plus, the increased activity from getting up and moving around increases circulation, encourages the elimination of waste and toxins, and reduces the damaging effects of long periods of inactivity.

Zenith HydroTap meets all your workplace water solution needs, in one elegant, easy to use system.

# 80%
of HydroTap owners drink more water

# Environmentally responsible

## Independently verified Environmental Product Declaration

In another first for the world leaders in instant drinking water systems, Zenith Water's parent company Zip Water Australia has released an internationally recognised and independently verified Environmental Product Declaration (EPD) for its HydroTap products. Developed with leading sustainability consulting company, **thinkstep***, it is the first EPD for an electrical product in Australasia, clearly demonstrating Zenith's innovative and forward-thinking approach.

The HydroTap EPD details the environmental impact of the product throughout its life cycle, from the production and processing of raw materials, to manufacturing, distribution, installation, ongoing usage, maintenance and filter changing, right down to the end of the product's life.

Australians buy **over 580 MILLION** litres of bottled water a year.

Much of which ends up in **LANDFILL** and on our **BEACHES**#

# The Zenith service difference

Our highly skilled network of mobile technicians and friendly customer service team are here to help keep your Zenith products in top working order. Our expert technicians install HydroTaps across residential and commercial kitchens, and we maintain all drinking water systems.

## Full national coverage

Zenith water employs direct factory trained service technicians offering installation and ongoing filter and $CO_2$ changes, plus over 50 trained service agents covering the North and South Islands.

## Fast and efficient

Every Zenith service technician carries a range of spare parts, genuine filters and $CO_2$ cannisters to repair on first time attendance, which means you can get back to enjoying your fresh, filtered water in no time.

## Professional repairs and maintenance

Zenith technicians are highly skilled, specialised and factory trained with years of experience to ensure you receive efficient, reliable and prompt service and repairs.

## Customer satisfaction

We aim to provide our customers with professional care at a high standard and take pride on our level of service.

## Let Zenith take care of the installation

Zenith Water offers an installation service, with a national fleet of skilled service technicians who can install your HydroTap in any kitchen.

Our service technicians will make sure your HydroTap is up and running in no time and includes stone cutting for tap and font installation.

Our service technicians can also help maintain your HydroTap, with a simple online booking form on www.zenithwater.co.nz

## Preventative maintenance plans

For ultimate peace of mind, Zenith Water offers professional care of your system with a comprehensive range of HydroCare packages covering every maintenance requirement.

With everything you need to enjoy pure-tasting water, HydroCare ensures your HydroTap not only remains in perfect condition but operates at peak performance.

*Available in metro areas only where suitable power and water are available within 1 metre of the installation location, excludes cutting of fixtures and major plumbing modifications
